DUNDEE & ANGUS
CHAMBER OF COMMERCE

Dear Sirs/Madam,

I am writing on behalf of the Board and team of Dundee and Angus Chamber of Commerce in regard to the potential hosting of the 7th World Union of Karate Federations (WUKF) World Karate Championships for All Ages in Dundee between 12th to 17th June 2018.

An event of this size will be a significant sporting event for Dundee and will clearly have an impact on the local economy as well as the legacy of returning visitors.

We are very supportive of events of this nature coming into the City, and know the high regard with which Kanzen Karate and associated individuals are held. We are sure that the hosting of the World Karate Championships in Dundee would be a resounding success.

Kind regards

Alison Henderson
