## Local Matters

February 9, 2017

To whom it may concern,

I am delighted to give my full backing to the bid to bring the 7<sup>th</sup> World Union of Karate Federations (WUKF) World Karate Championships for All Ages to Dundee.

This city has embraced martial arts of all kinds and is particularly strong on Kanzen Karate, so there is a ready-made audience for the event. The extra spending the championships will bring into the city will be warmly welcomed and will help grow Dundee's reputation as a good host of major events.

Part of the city regeneration strategy is to promote Dundee as an international leisure and business tourism destination and a successful WUKF event would go a long way to fulfilling that aim.

I would also add that The Courier would support the event with coverage online and in the newspaper.

Yours sincerely,

Richard Neville,  
Editor.
