### TO WHOM IT MAY CONCERN

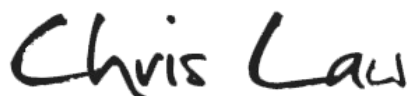

I am delighted to back the bid to bring the 7<sup>th</sup> World Union of Karate Federations (WUKF) World Karate Championships for All Ages to Dundee.

Dundee is forging ahead with transforming its fortunes and has undertaken a £1 billion pound regeneration of its Waterfront.

It was named the UK's first City of Design by the United Nations in 2014 and it is planning to develop a multi-million pound sports complex where future ambitious athletes such as Dundonian and past Olympian marathon runner, Liz McColgan, will be able to train to their full potential.

The city has huge ambitions in the international leisure tourism arena and an event such as this will help to raise the city's profile.

The city would be delighted to host the event and if I can help in any way to be part of achieving this, I would be happy to help in any way I can.
