

To whom it may concern

Dundee and Angus College is delighted to support the bid by Kanzen Karate Scotland to host the 7<sup>th</sup> World Union of Karate Federation Championships for All Ages in Dundee in June 2018.

Kanzen Karate have a great record of developing their sport in our area and have introduced an impressive number of young people to the benefits of sport, fitness and well-being.

The Kanzen team have been working very closely with all the main partners in the region to ensure that the Championships will be built into the community planning for June 2018 and will be a major success.

Dundee and Angus College would be keen to offer the support of our sports staff and students and potentially offer the use of some of our facilities, if suitable and required for the Games.

Yours sincerely

Grant Ritchie  
Principal
